#### **NEXT MEETING: Monday, April 27th**

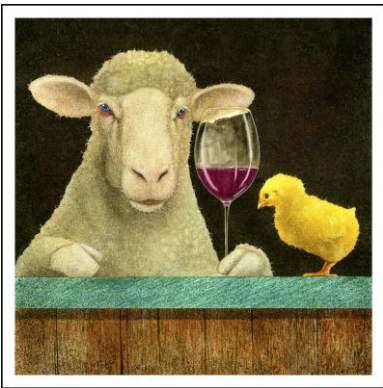

General meeting is 7:00 P.M. to 9 P.M.

(Board meeting is at 6:00 P.M)

**The Monterey Youth Center** - 646-3873

777 Pearl St., Monterey (Dennis the Menace Park)

## **PROGRAM FOR APRIL**

Our *demo artist* will be local artist **Will Bullas**. Will is a signature member of the American Watercolor Society, the National Watercolor Society, and was elected to membership with the Knickerbocker Artists of New York in 1986, and is

current president and continuing member of the Carmel Art Association since 1980 as well as a member of the Board of Directors of the Carmel Valley Art Association.

Will was the recipient of the prestigious *Luminary Award* in 2013 from Arts Council for Monterey County.

Will Bullas makes fine art fun. This master of one-liners combines award winning artistic skills with a hilarious point of view, creating a refreshing and unexpected new way to enjoy fine art.

***SheepFacedOnWineWithSomeChick is the name of the Bullas painting above.***

**Debbie Griest** reported that we gave **YAC** its annual grant of \$1,000.

Check out this **YAC** event!

## **VERY EXCITING NEWS**

CCAA has been awarded a \$2,080 grant from the Arts Council for Monterey County. The grant will be used to upgrade our website. The emphasis will be on providing more information about workshops, seminars, our calendar of events, information about our member artists, and donation and volunteer opportunities within our organization.

***Thanks to Sherree Anderson for her efforts to make this happen!***

## **MARCH MEETING**

Our *demo artist* was **Stan Robbins**. Stan painted a new painting of Rocky Point based on a prior Rocky Point painting to see if cropping the composition would make it more interesting. It did make it look fresh and more interesting.

**The Pacific Grove Art Center show paintings can be picked up this Friday from 12 to 3 at the center.**

Our *showcase artist* was **Toni Kimple**.

Toni is a new member and her work is beautiful.

The **tabletop library** will be set up at the next meeting .... learning DVDs and 'how to' books for different media will be available. **Maria Poroy** will help you with this.

### Library notes from Maria:

A painter whom I admire greatly once told me you need to learn the rules and then go ahead and break them. Like me you may want to make things look a little wonky on purpose. But have you ever looked at a painting and something made you uncomfortable and you couldn't quite put your finger on it? It could have been perspective. Check out "Perspective Made Easy" this month by Ernest Norling. And since it is April and you've been doing taxes I'd like to point out that because of our tax free status you can donate material to the library and take a deduction in 2015. We need DVDs and quality books on technique for all media. We do not need coffee table art history books. Be sure and ask for a receipt.
